In memory of Andrzej Iwan

Dear President,

I would like to express my heartfelt condolences on the passing of former international player and Polish Football legend, Andrzej Iwan. Words seem inadequate to express the sadness we feel for this loss.

During his career, Andrzej was capped 29 times by Poland and participated in the 1978 and 1982 FIFA World Cups, winning the bronze medal in Spain. At club level, he will be remembered for his long career with Wisła Kraków, where won one championship title, but also for his spells with Górnik Zabrze, where he won three other championship titles. He also enjoyed an international career in Germany with VfL Bochum and in Greece with Aris FC. After his retirement from playing, he enjoyed a coaching career.

Legend of Polish football and of Wisła Kraków, his legacy and trajectory on and off the pitch will not be forgotten, and he will be truly missed.

On behalf of the international football community, I wish to extend our deepest sympathy to the Polish Football Association, and to Andrzej's family, friends and loved ones. Our thoughts are with all of you.

We hope that these memories and our words of support may help bring some peace and solace at this difficult time.

Yours sincerely,

Gianni Infantino
